Guide to the City Council Proceedings

**The Oral Communication** portion of the agenda is for members of the public to present items which are not listed on the agenda, but are under the subject matter jurisdiction of the City Council. No action may be taken under this section except to direct staff unless the Council, by a two-thirds vote, determines that the need to take action arose after the posting of the agenda or that the item presents an emergency situation for which action is required prior to the next regularly scheduled meeting of the City Council. Although no action may be taken on these non agenda items, the Council and staff will follow up on those items needing response. Each speaker is limited to (3) three minutes. Time may be surrendered by deferring (1) one minute to another speaker, on the same item, not to exceed a total of (8) eight minutes. The speaker wishing to defer time must be present when the item is heard. In order to be recognized and present an item, each speaker must complete and submit to the Recording Secretary a Request to Speak form prior to the beginning of the item being announced by the Mayor (forms are available at the Chamber doors). Speakers are taken in the order slips are submitted.

**Items in Consent Calendar Section A** have already been considered by the Council at a previous meeting where the public was invited to comment, after which a decision was made. These items are not subject to public discussion at this meeting because the vote taken at the previous meeting was final. Resolutions concerning decisions made at previous meetings are for the purpose of memorializing the decision to assure the accuracy of the findings, the prior vote, and any conditions imposed.

**Items in Consent Calendar Section B** have not been discussed previously by the Council. If discussion is desired, an item may be removed from the Consent Calendar and will be considered individually. Councilmembers may indicate a negative or abstaining vote on any individual item by so declaring prior to the vote on the motion to adopt the entire Consent Calendar. Items excluded from Consent Calendar will be taken up by the Council following the action on the consent calendar. The Council first will take up the items for which public speaker requests have been submitted. Public speakers are limited to (3) three minutes each. If a speaker slip is submitted late the speaker's time will be limited to (2) minutes. If more than 10 speaker slips are submitted each speaker's time will be limited to (2) two minutes each.

**Items set for Public Hearing** commence at 7:30 p.m. or as soon thereafter as practicable. At that time the City Council will stop its other proceedings and move directly to Public Hearing items. At the conclusion of Public Hearings the City Council will continue the agenda where it left off. For Public Hearings involving zoning matters the appellant will be given 15 minutes to present their position to the City Council, including rebuttal time. All other testimony shall be limited to (3) three minutes per person and follow the rules as set forth under Oral Communication.

**Items in Old Business** are items which have appeared on previous agendas but have either been continued or tabled to this meeting with no final action having been taken. Public comment on any item is permitted under the public comment rules. Speakers should address whether they are supportive or opposed to either the recommended action or the motion before the City Council for decision. Items in New Business are items which are appearing for the first time for formal action.

Public comment on any item is permitted under the public comment rules. Speakers should address whether they are supportive or opposed to either the recommended action or the motion before the City Council for decision.

**City Council Items** are items which individual members of the City Council may bring up in terms of reporting to other members of the City Council, to propose future agenda items or to suggest future staff assignments. Items discussed under City Council Items follow the same rules as set forth under Oral Communications in terms of the actions the City Council may take on any item brought up under this portion of the agenda. Each Councilmember's oral item presentations are limited to four minutes. No new items will be taken-up after 10:30 p.m. without a two-thirds vote of the City Council.
